PROFESSIONAL SUMMARY

Results-driven Client Support and Administrative Professional with over 4 years of experience spanning account management, high-volume customer service, and inside sales. Proven track record of exceeding sales targets, securing top CSAT scores, and managing complex technical and financial investigations. Adept at navigating synchronous multichannel communications, generating precise CPQ and service quotes, and resolving post-sales issues to drive revenue and maximize client retention.

CORE COMPETENCIES

- Account & Relationship Management
- CPQ Quoting & Service/Sales Proposals
- High-Volume Multichannel Support (Chat/Call)
- B2B Inside Sales & Lead Qualification
- Back-Office Financial Reconciliation
- Subscription & Renewal Management
- Technical Troubleshooting & Authentication

PROFESSIONAL EXPERIENCE

OPEX Technologies Philippines Inc. | Mar 2025 – Present *Account Manager & Inside Sales Specialist*

- **Sales & Service Quoting (CPQ):** Generate accurate sales and service proposals, inputting precise SKUs and pricing; negotiate terms to successfully secure client approvals and finalize invoices.
- **Account Management:** Proactively manage customer accounts and consult with clients to recommend optimized service/maintenance subscription packages, ensuring continuous coverage.
- **Inside Sales & Lead Generation:** Perform lead qualification for prospective companies, conduct outbound calls to promote electrification solutions, and schedule high-value meetings for Account Executives.
- **Client Support & Resolution:** Monitor and resolve open cases by prioritizing critical tasks, conducting thorough account investigations, and collaborating across departments to ensure timely resolutions.
- **Documentation:** Meticulously document all client interactions, case updates, and account changes to maintain a pristine CRM database.

TDCX Philippines | Nov 2023 – Feb 2025 *CSR Chat Support Specialist*

- **High-Volume Support:** Managed up to 6 simultaneous customer chat interactions in a fast-paced environment, strictly maintaining a 3-minute response time SLA.
- **Issue Resolution:** Applied strong problem-solving skills to conduct detailed account investigations, accurately determining and communicating real-time order statuses and logistics updates.
- **Post-Sales Processing:** expertly resolved post-delivery issues, assisting customers with after-sales inquiries and ensuring the precise processing of refunds and reshipments.

Foundever | Aug 2022 – Nov 2023 *Back Office Support & CSR Inbound*

- **Credit Dispute Investigation:** Investigated complex credit file disputes and discrepancies, delivering precise resolutions while securely authenticating sensitive user data.
- **Transaction Verification:** Conducted rigorous financial reconciliations, verifying whether payments were accurately applied or removed from customer accounts.
- **Account Adjustments:** Meticulously documented all financial adjustments and logged comprehensive investigation results within account tracking databases to ensure ongoing data accuracy.
- **Inbound Triage:** Handled multiple incoming calls, authenticating customer profiles and immediately addressing technical or financial concerns.

AWARDS & ACHIEVEMENTS

- **Consistent 'Top Agent' Awardee:** Recognized for achieving the highest CSAT metrics, exceptional quality scores, and operational efficiency.
- **ACE Award Recipient:** Earned quarterly accolades for outstanding overall performance and dedication to client success.
- **Sales Excellence:** Earned consecutive monthly awards for regularly meeting and exceeding outbound sales and conversion targets.

EDUCATION

Benigno "Ninoy" Aquino High School *Specialization: Computer System Servicing*

- **Coursework Focus:** Hardware repair, software optimization, network management, data security, and system maintenance.
